## Projects/Subject Enrichment Activities

Month	Activity	Objective/s	Details & Evaluation
May-2025	Proper and Common Noun Gallery Walk	Students will be able to differentiate and identify Common and Proper Noun. It will help the students to reinforce the concept of Noun in a fun way.	<p>This is a fun activity for students to review or discover nouns. Walking outside the class will inject more excitement and real-world context into the activity. The students will walk around the designated area and look for examples of both proper and common nouns in their surroundings.</p> <p><b>Evaluation:</b> Students will be assessed on their understanding of the topic, Identification of Common and Proper Noun, Comprehensive knowledge of the topic and vocabulary.</p>
Aug-2025	Adjectives Scavenger Hunt	Students will be able to present and organize information and facts in a simple way	<p>The students will be guided to collect information. It will be a lively and effective way for students to learn about and practice using adjectives. Students will move around the designated area, finding objects that fit the adjective categories or specific adjectives listed.</p> <p><b>Evaluation:</b> Presentation of facts, neatness, formation, grammar, spellings, creativity</p>
Nov-2025	Comparative Chain Game	To help students understand and correctly use the comparative degree of adjectives in sentences	<p>A Comparative Degree Chain Game involves building a chain of sentences where each sentence uses the comparative form of an adjective to compare two things. The goal is to create a connected series of sentences where each sentence builds upon the previous one. The game ends when students connect and creates at least six sentences. <b>Evaluation:</b> Evaluation will be done on the basis of their language accuracy, neatness, spellings, creativity and vocabulary.</p>
Feb-2026	Prepositions- Listen and Draw	Students will be able to remember, understand and apply their concepts into visual representation through drawings.	<p>Reading out simple sentences, each containing a preposition of place. The students will listen carefully and then draw a picture based on what they hear. Students will be given enough time to draw after each sentence.</p> <p><b>Evaluation:</b> Listening Skill, ability to follow instructions, Correct positioning</p>
