Month	Activity	Objective/s	Details & Evaluation
May-2025	Map work-mark and label 3 peaks and 3 mountain ranges	<ul style="list-style-type: none"> *observe a map *learn to mark places on a map *knowledge about exact position of mountain peaks and ranges. 	The students will observe a map of India showing mountain ranges and mountain peaks. Now on a given map of India they mark and label any three peaks and any three mountain ranges. They are taught to use colours on a map. Evaluation will be on correct marking, correct labeling and neat work. The activity is connected to lesson – The Northern Mountains.
August-2025	Data Interpretation- Through a map and a table of rainfall and temperature	<ul style="list-style-type: none"> *reading and understanding of data *interpretation of given data *relate information with real time climatic conditions. 	The students observe a map showing rainfall distribution across India and a table showing average temperatures in various Indian cities in the month of June. Now, they are given a questionnaire about these two. Evaluation will be on correct observation and interpretation of given data in the map and in the table, understanding of concept of temperature and rainfall distribution on climate of a place at a particular time. The activity is connected to lesson- Our Climate.
November-2025	Make chart-solar, wind, geothermal, water Energy Exhibition	<ul style="list-style-type: none"> *work as a team *develop presentation skills *knowledge about the various forms of energy 	The Class is divided into 4 groups. Each group gets one type of energy (solar, wind, geothermal and water). Each group will collect information about their energy type and present it in the form of a chart. Their charts will be exhibited on the soft board. Evaluation will be on correct information given, creativity, neat work and good presentation. The activity is connected to lesson – Force, Work and Energy.
February-2026	Make a constitution for your class - list 4 rights and 4 duties	<ul style="list-style-type: none"> *develop discussion skills *understand concept of rights * understand concept of duties 	There will be brainstorming session in class so as to come to a consensus on what will be our class duties and our rights. Now on a 1/4 th chart paper students present the rights and duties for their class. Evaluation will be on knowledge of rights and duties, correct interpretation of the concept, good presentation, neat work. The activity is connected to lesson – Our Rights and Duties.
