Dear Parents,

Greeting for the Rongali Bihu Festival,

We are pleased to inform that for the convenience of our parents, we have arranged text book and uniforms vendors from Guwahati at Kunjakanau NRL township to facilitate procurement of books, note books & miscellaneous stationery items and school uniforms with reasonable price . As we are located away from the main city and there is no big book & stationery and uniforms store around, you may avail this facility with appropriate discount being directly offered to the parents.

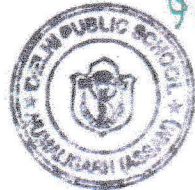

However, any parent willing to procure uniforms, books & stationery items from any other source, you are free to do so. Its is completely on your discretion.

Schedule for the distribution of Uniforms, Text Book & Stationery items is as under :
