

## ZUBIN SHARMA GRASPS THE POTENTIAL OF DPS NUMALIGARH STUDENTS WITH MOTIVATIONAL TALK

On 7th January 2026, DPS Numaligarh was honoured to have Mr. Zubin Sharma, the founder and CEO of Project Potential commence the year 2026 with a spark of intellectual curiosity. The third guest speaker of an initiative 'Let's Talk', started by an alumnus of DPSN, Mr. Tanmay Talukdar, during his school days, Mr. Zubin is a graduate from the prestigious Yale University and the University of Pennsylvania.

Using a unique way of reaching out to the students via anonymous answer sheets, which encouraged the audience to introspect on their hidden potential and realise the setbacks they face to achieve it, the

guest speaker began the session by deepening the engagement of the listeners. The session provided insights into Mr. Sharma's personal and working life and how being a biracial Indian influenced and shaped his life. He founded Project Potential, a rural development initiative that started operations in Kishanganj, Bihar. The session hoped to bring positive changes and motivation in the hearts of the young audience. The students actively participated in this session by putting forth their views and questions. As an alumnus of prestigious Ivy League institutions and a visionary committed to grassroots transformation, Mr. Zubin Sharma made a profound impression on the students of DPS Numaligarh.

## EDUCATOR TRAINING WORKSHOPS

Teachers guide the next generation and lead by example. It is their responsibility to nurture the youth to exceed their current capabilities by learning how to be better themselves. Keeping this in mind, DPS Numaligarh under the able guidance of Principal U.C Harbola, took the reins of progress and rode into the seas of change through training and discipline. Several workshops were conducted through February to March to invigorate this noble effort and attended by all the teachers of DPS Numaligarh. These workshops were: “Active Learning”, “Cyber Safety & Security”, “Happy Classroom”, “Educating Parents about Education” and “Gender Sensitivity in Schools”.
